**EXPLANATORY NOTES:**

Action-attainment works with Brentford FC CST to provide accessible activities that are fun and supportive for young people who benefit from small groups and support to join in.

Fun in the Sun, FitS, is subsidised by generous donors. Your contributions help to maintain Action-attainment's services

Our aim is to find peer groups, matched by age and ability, for our activities

We use the expression of interest, plus an application form, to find peer groups BEFORE we confirm a place in a session.

If making a contribution would prevent a young person from participating, please contact us to discuss how we can offer further support.

**Fun in the Sun activities are set up by Action-attainment and run by Brentford FC Community Sports Trust**
