EXPLANATORY NOTES:

Action-attainment works with Active360 to provide accessible watersports activities that are fun and supportive for young people who benefit from small groups and mentoring to join in.

Action-attainment's work is subsidised by generous donors. Your contributions help to maintain Action-attainment's services

**If making a contribution would prevent a young person from participating, please contact us to discuss how we further support can be arranged.

Our aim is to find peer groups, matched by age and ability, for our activities

We use the expression of interest, plus an application form for new participants, to find peer groups BEFORE we confirm a place in a session.

**Billing can be arranged in four week blocks

When we have a minimum group of 4 peers requesting a watersports session with us and Active360, we will issue invoices and book the sessions for participants with Active360. Active360s terms and conditions then apply to the safe running of sessions. Details of the terms and conditions will be in your booking confirmation letter and there will be a participant's agreement issued by Active360.

Watersports activities are set up by Action-attainment and run by Active360
