EXPLANATORY NOTES: Action-attainment works with Brentford FC CST to provide accessible activities that are fun and supportive of young people who benefit from small groups and kind coaches to join in. Our aim is to find peer groups matched by age and ability for our activities. We use this expression of interest form, plus your application form to find peer groups BEFORE we confirm a place in a session. Fun In the Sun, FitS, activities are set up by Action-attainment and run by Brentford FC CST. FitS is subsidised by generous donors. Your contributions help to maintain Action-attainment's services. If making a contribution would prevent a young person from participating, please contact us to discuss how we can offer further support.
